

THE VALUE OF FINANCIAL ADVICE

There are times in life when the advice of an expert is invaluable. Financial advice is often seen as something only for the rich and wealthy, but we know that isn't the case.

Financial advice can boost your wealth⁽¹⁾

Financial advice can make you better off in retirement⁽¹⁾

Making good decisions

When to take advice?

The most popular times for taking advice are⁽¹⁾:

The top three reasons for taking financial advice⁽¹⁾:

Preparing for retirement: The sooner you take advice, the better

The earlier people take advice, the better prepared they are for retirement:

Where to take advice⁽¹⁾
